Commissioner for Patents

It is recognized now that the reply filed on 4/27/06 and also the reply filed on 12/1/05 are not fully responsive to the prior Office Action of 7/28/05 because of the following omission(s) or matter(s): The Office Action of 7/28/05 required corrected drawings. See the PTO-948 form. Drawing corrections are no longer routinely held in abeyance: they are now required at the time of the next response to an Office Action. MPEP 714.02. Applicant's replies of 4/27/06 and 12/1/05 are therefore both non-responsive with respect to the outstanding requirement for corrected drawings. See 37 CFR 1.111. Since the above-mentioned reply/replies appear to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Inquiry concerning drawing corrections should be directed to the Draftsperson who signed the PTO-948. Any inquiry concerning this communication or earlier communications from the Examiner should be directed to JOHN PAK whose telephone number is (571)272-0620. The Examiner can normally be reached on Monday to Friday from 8 AM to 4:30 PM. If attempts to reach the Examiner by telephone are unsuccessful, the Examiner's SPE, Johann Richter, can be reached on (571)272-0646. The fax phone number for the organization where this application or proceeding is assigned is (571)273-8300. Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is (571)272-1600.
